Title: Stellar 2D
Genre: Action, Casual, Indie
Developer:
quad games
Publisher:
Back To Basics Gaming
Release Date: 30 Jul, 2015

b4d347fde0

English

1V10 NOT stellar

Playing this is simply unenjoyable. Some backgrounds make it hard to see everything happening on the screen, pick-ups often hinder instead of help, graphics & sound are ugly and there is no storyline. Motivation to play the next level drops rapidly to zero.

1 point for having trading cards.
